What to Expect from Us:

- Assigned sales manager reviewing your submission
- Samples for integration, validation and qualification opportunities
- Escalated ASAP response

Submit your deal inquires to PCM@PNY.com

Driving Solid State Drives Sales Opportunities - HDD vs. SSD

- Significantly improves multi-tasking, application, load time performance and faster boot times
- Ideal for HDD replacement while providing significant performance enhancements. Up to 10x faster
- Extends lifecycle of existing PC hardware, which lowers costs while meeting performance demands

PNY SSDs What Sets Us Apart?

- Customer sample units available for qualified SSD opportunities
- Dedicated sales and technical contacts for customer engagements
- Application engineering and validation program access

Work with your PNY Team to meet customer demands - We're Always Fast and Nimble
